Customer Payment Policy

It is the policy of Eureka Cemetery Association (ECA) to require full payment in advance for all services as contract(s) for service(s) are finalized. ECA is not able to offer contract payments as we do not have the staff or ability to monitor such payments. If payments are preferred by our customers, we urge them to charge the amount on a credit card or seek a loan at their financial institution of choice. ECA accepts cash, checks, most credit cards, and cashier checks.

Identification: Driver license and a second form of identification (credit card) and social security number(s) are required at contract signing time for each signer, as part our contract documentation.

Contact Information: Customers must provide contact information such as phone numbers, email addresses along with physical addresses for each signer along with any additional contacts signers can provide. At least one local contact person would be appreciated should any questions arise.

ECA will not accept remains, caskets, or urns for burial unless all services and fees have been paid in full. No site preparation will take place until all services and related fees have been paid in full.

This policy adopted by the ECA Board of Directors on April 16, 2015
