Ten Reasons Why You Should Select Your Memorial through Our Cemetery

1. Our cemetery is an endowed, perpetual care cemetery – it will always be in business.
2. Our cemetery has trained staff who are familiar with your lot and its requirements.
3. Our cemetery purchases your memorial (Vaults, Liners, Perm-a-vases, & Urns) directly from the manufacturer – there is NO middlemen.
4. Our cemetery will be sure that only the very best material is used in your memorial and base because we too, must be concerned with the appearance and the upkeep of the cemetery.
5. Our cemetery knows you. You have dealt with our staff either before or during your time of loss.
6. Our cemetery handles your future needs directly through our office.
7. Our cemetery uses the additional income from your memorial purchase to put into continued care and beautification of the cemetery.
8. Our cemetery has crews that are trained to efficiently handle your memorial placement. Our cemetery is responsible if there is any damage in installation of memorials purchased through our cemetery office.
9. Our cemetery has assumed the responsibility of caring for our cemetery grounds including mowing and general pick up of debris. It is only natural that you should place your memorial under the same personal care and attention your chosen resting place requires.
10. Our cemetery assures approved quality, size, styles, and installation. Memorial arrangements should be made direct with your cemetery representative.
